Lower Cost Alternative

[See Alternative Prescriptions](#)

There may be other prescriptions in the same class (that work in the same way) that could treat your condition just as well at a much lower cost.

If you're taking an expensive brand-name-only drug, it may be worth asking your doctor if there are any other less expensive, generic, or over-the-counter options that might work for you.

i About GoodRx Prices and Tindamax Coupons

GoodRx's cash prices are based on multiple sources, including published price lists, purchases, claims records, and data provided by pharmacies. Our discount and coupon prices are based on contracts between a pharmacy (or pharmacy purchasing group) and a Pharmacy Benefit Manager (PBM), who provides prices to us. The prices we show are our best estimate; while we believe our data to be generally accurate, we cannot guarantee that the price we display will exactly match the price you receive at the pharmacy. For an exact price, please

contact the pharmacy. (Please keep in mind that the pharmacy will require the information shown on the GoodRx coupon/discount to confirm the discount price.)
