Question: Can this be used on aluminum?

Answer: This gallon of fantastik worked for all my normal cleaning areas. I'm still using it.
By Kellie M. on November 21, 2020

Question: Is this good for cleaning toilet bowls??

Answer: Hi, it'll kill 99.99% of germs, just like toilet bowl cleaners, but it's a spray and wouldn't be as convenient to use as something like this

Question: Is it ammonia free?

Answer: It contains Ethelbenzyl ammonium chloride--
"Ammonia and Ammonium are compounds that contain Nitrogen and Hydrogen. ... Ammonia is a weak base and is un-ionized. On the other hand, Ammonium is ionised. One of the noticeable differences between the two is that Ammonia gives out a strong smell whereas Ammonium does not smell at all." Personally, I would not mix this with bleach, and frankly you don't need to, this stuff works real well, doesn't smell like ammonia at all, in fact I like it better than formula 409, that no matter what I do even with ventilation make me cough, Fantastik doesn't. The only downside is it's hard to find and I noticed the price is going way up on what used to be a very good deal for this. Stay safe. [see less](#)

My Go To Cleaner

Reviewed in the United States on October 6, 2022

Verified Purchase

It cleans really well. Doesn't leave a build up. Scent isn't overpowering like some cleaners.

I can't find this product at Lowe's or Home Depot. So glad I can still purchase Fantastik! It was packaged very well and arrived perfectly.

Best cleaner for the money

Reviewed in the United States on June 8, 2022

Verified Purchase

This is a very good all purpose cleaner. That is not my issue.

This order was for a 32 oz spray bottle and a 1 gallon refill jug - so when the 32 oz. spray bottle became empty I had to use a measuring cup with a spout to refill it.

My measuring cup is 16 ozs. I expected to fill the 32 oz. spray bottle 2 times because the company advertizes on their label that there are 32 ounces of product in the spray bottle. Well there is NOT room for 32 ounces in the spray bottle. The company advertizes the spray bottle is 32 ounces. I've purchased the 32 oz. spray bottle at other big box stores...and the bottle reads 32 ounces. This is the same 32 oz spray bottle.

THE SPRAY BOTTLE ONLY HOLD 27 OUNCES OF PRODUCT. You cannot get more than 27 ounces in the spray bottle. I pay for a 32 oz. spray bottle of the product. What's going on here?????
