## POTASSIUM BICARBONATE

 +1  121  @PARING

 *My chiropractor wants me to take one teaspoon of potassium bicarbonate with 1 tablespoon of Bragg's Apple cider vinegar and some water every evening before I go to bed. He said this will alkalize my system and help digestion. So tonight is the first time I'm going to try it. I'll let you know how it goes. :)"*  
— Judith, Orange, CA

Used as a base in foods to regulate PH. Also used in leavening during baking. Food grade and anyhdrous.

There is approximately 19,500mg of potassium per 50 gram serving.

*"I LOVE nuts.com! Items arrive very quickly, within a day or 2 and they include a free sample of figs! Good quality, terrific attitude and very personal service. I also love all the little writings on the packages etc – reminds me of Dr. Bronner's labels! It's also a family business which I fully support. I'm a dedicated fan of nuts.com. "*

*"Mixing a few grams of your potassium bicarbonate with each part of each meal has turned meal time into a more pleasant and interesting experience. Sourness is gone, my tooth enamel is no longer subjected to the acidity of the tomatoes, the honey, or any other acid bearing food I eat and I have a new source of much needed bioavailable potassium."*  
— Henry, Corning, NY
