Description

Two bottles of 120 capsules of BENTONITE CLEANSE (heavy metal and chemical detox):

- **Start with Shock Phase: 12 to 16 capsules with plenty of pure water during the day, preferably on an empty stomach for two days.**
- **Next, go on maintenance dosage: 4 to 8 capsules with plenty of water for one week.**
- **Then take 3 per day until you have used 240 capsules (2 bottles).**
- **Once a month, take three capsules per day for one week for continuous detoxification.**

One bottle of Black cumin oil cold press (first press). Organic virgin vegetable oil. Excellent source of Omega 6 & 9, organic tocopherol (vitamin E from natural source), Amino acids, and essential fatty acids. It also contains beta-carotene, calcium, iron potassium, and a uniquely potent antioxidant called Thymoquinone, an immune system booster with remarkable anti-cancer benefits.

- **Instructions: 12 years or older. Take one full scoop 2 to 3 times/day with food.**

Phytorespir Kit with essential oil formula with four nasal applicators with stickers to either share with the whole family or to have an applicator in every place you might need one.

- **Ingredients:** Essential oils of ravintsara, rosemary, eucalyptus, cajeput, niaouli, lavender, peppermint, thyme, tea tree, and clove.
- **Benefits:** This mixture of essential oils has excellent anti-bacterial and anti-viral properties. You will immediately feel your nasal passages clearing, and the benefits will go straight to your lungs. It can be used to inhale as often as every hour and is beneficial for ones that have trouble breathing through their noses.

One bottle of 60 capsules of NT detox:

- **Ingredients:** N-acetyl, L-cysteine (NAC), a precursor of the amino acid: L-Cysteine, which is involved in the formation of glutathione, the most potent antioxidant and detoxifier found within each of the body's cells. Serrapeptase, a proteolytic enzyme that is 100% plant-based, obtained by bacterial fermentation, with a track record for combatting inflammatory disorders and its ability to dissolve damaged tissues without damaging healthy tissues. The 12 Schüssler salts. Algae (Chlorella and laminaria) that exert a cleansing and detoxifying effect are rich in trace elements, minerals, amino acids, vitamins, Milk thistle, dandelion root extract, black radish, dried extract of bitter orange.
- **Instructions:** take one capsule per day on an empty stomach, preferably in the morning, 1/2 hr before or 2 hrs after the meal with a glass of water.

Colostrum + Curcumin 60 capsules - food supplement

- **Ingredients:** curcumin, bovine colostrum, black pepper extract (piperine), additives (magnesium stearate), capsule composition (gelatine, titanium dioxide).
- **Active ingredients per capsule:** curcumin (297mg), colostrum IgG40 (100mg), piperine (3mg)
- **Recommended dosage:** 2 capsules per day (to be taken in the evening before food, with a sufficient amount of liquid). Weight Contents: 29g ± 5% (60 capsules).
- **Note:** Do not exceed the recommended daily dosage. This product is on the market as a food supplement. It is not a medicament. Food supplements are not a substitute for a varied diet. Not suitable for children under the age of 3, pregnant or breastfeeding women. This product is not intended to diagnose, treat or prevent any disease. In case of specific health problems, consult your attending physician. Contains milk and milk derivatives. It is manufactured under pharmaceutical supervision.
- **What is Colostrum?** Colostrum is the first milk produced by the mammary glands after mammals give birth. Contained within are all necessary, ready-made antibodies to protect against infection in the early weeks of life. Colostrum is valued for its high content of vitamins (A, D, E, C, B1, B2, B6, B12, folic acid, pantothenic acid, biotin, niacin), minerals, trace elements (sodium, potassium, calcium, phosphorus, magnesium, iron, iodine, chromium), proteins and protease inhibitors. **Colostrum..**

contains antibodies that are effective against bacteria, viruses, and fungi. It also contains Lactoferrin – a multifunctional protein that reduces inflammation in the body.

- **ESSENS Colostrum comes exclusively from bovine (cow) farms with permanent veterinary control in the Moravian- Silesian Region. Further processing takes place in a pharmaceutical company that is certified with GMP under the auspices of WHO – (World Health Organization) and HACCP – (system of risk analysis and determination of critical control points) and under the auspices of the Ministry of Agriculture of the Czech Republic according to EU directives.**
- **ESSENS Colostrum + curcumin was developed and is manufactured under pharmaceutical supervision in the Czech Republic, in compliance with the strictest EU rules and standards. The active substances are obtained exclusively from natural sources without the use of chemically prepared raw materials. Only raw materials of the highest possible quality are used for production. It does not contain sugar or gluten. It contains lactose, but thanks to its small amount, the ESSENS Colostrum + curcumin supplement can is still suitable for people with an intolerance.**
