[Privacy - Terms](#)

ASEA Redox Helps with:

- **Immune System** – one of the main causes of cancer is a weak immune system
- **Hormone Modulation** – Breast, ovarian and prostate cancer are often hormonal driven cancers
- **Inflammatory Response** – Chronic inflammation is linked to almost all major causes of disease
- **Digestive Function** – Hippocrates claimed that the secret to good health is in the gut
- **Cardiovascular System** – One in every three deaths in the United States has cardiovascular disease listed as the underlying cause.
- **Also helps with:** Abnormal cells, insomnia, cholesterol, allergies, low energy, auto-immune diseases, reduces side effects of chemotherapy, joint discomfort, lower back and neck pain, severe headaches, improved breathing, sinus congestion, swelling of ankles, feet and legs, better mental clarity, brain fog, better mobility, etc.

Additional Supplements: Based on your Health Report that you complete we will personalize the program and send additional remedies that will help clean out toxins, boost the immune system, cellular regeneration, help disable diseased cells, etc., as needed. Approximately 3 to 4 months' supply would be included. For people who have trouble swallowing pills, however our capsules are designed to be easily opened so the contents can be added to a smoothy or the Budwig flaxseed oil and cottage cheese / Quark mixture

Effective Detox/Anti Parasite/Anti Candida remedies are often prescribed

FENp53 helps remove the mechanism that forms cancer cells and tumors and at the same time eliminates worms and parasites.

Cancer is related to specific pathogens, i.e parasite(s), worms, fungi, Candida and harmful bacteria and viruses. With FENp53, the "protective coating" around cancer cells is removed and cancer "stem cells" are disabled with this protocol

The Joe Tippens approach has proven to be very helpful for most types of cancer using Panacur which is 22% fenbendazole purity. Our FENp53 is 99.9% pure fenbendazole and we provide natural herbal and food supplements to activate the formula.

2 bottles - approx. 3 - 4 months' supply when taken twice daily is included in the program

Essential 100% therapeutic oils

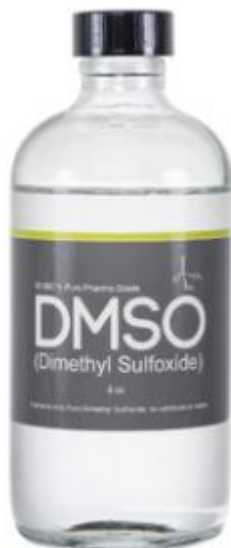

Everything has an electrical frequency or vibration, including food, our bodies, and even disease that can be measured in Megahertz (MHz). Frequency is defined as a measurable rate of electrical flow that is constant between any two points. The ***frequency of essential oils is some of the highest frequencies known to man.*** They create an environment in which disease, bacteria, virus, fungus, etc., cannot live and are several times greater than the frequencies of herbs and foods. Our essential oils are a blend of frankincense (*Boswellia Serrata*), Myrrh, Magnolia (honokiol) and Artemisia, lemon, orange and other beneficial oils. 8 bottles included with Program B

DMSO - this natural extract from trees helps with pain when applied topically and in addition when taken along with the herbal and food supplements it helps the body be absorb the nutrients in the supplements.

100ml bottles are included with the program.
