## Description

Directions: As a food supplement for adults, take 1 scoop (approx 12g) daily. Mix in juice, or blend into a smoothie. Do not exceed the stated dose unless directed by a healthcare practitioner.

## **ADDITIONAL INFORMATION:**

LIFE DRINK – INGREDIENTS and DOSAGE

BALANCED VEGETABLE PROTEIN When pea and rice protein are combined, the resulting amino acid profile provides one of the most balanced proteins achievable from 100% vegetable sources.

RICE BRAN ACTIVES Stabilized rice bran provides more than 100 known antioxidants, beta-glucans, tocotrienols, phytosterols, vitamins, minerals, carotenoids, CoQ10, alpha-lipoic acid, and many other valuable compounds.

MICROALGAE Spirulina and chlorella provide a remarkably high level of chlorophyll, carotenoids, highly

FREEZE-DRIED GREENS The 100% fresh freeze-dried green foods in Life Drink provide a remarkable array of beneficial nutrients, i.e. sulforaphane, indole-3-carbinol, glucosinolates, carotenoids, chlorophyll, live enzymes, vitamins, minerals, etc.

FREEZE-DRIED BERRIES The 100% fresh freeze-dried berries and other fruits in Life Drink have been selected due to their collective flavonoid and carotenoid profile – providing a broad color spectrum from blue to purple to red to orange to yellow (i.e. anthocyanins, proanthocyanidins, catechins, quercetin, kaempferol, lutein, lycopene, zeaxanthin, alpha, and beta carotene, etc).OMEGA 3,6,9 OIL BLEND Life Drinks nutritional oil blend provides omega 3, 6, and 9 fatty acids (in the often recommended 2 : 1 : 1 ratio) from flaxseed, borage, and olive oils.

FREEZE-DRIED MUSHROOMS The mycelia of reishi mushrooms are abundant in beta-glucans polysaccharides, while shiitake mushrooms are known for their content of the highly re- searched beta-glucan compound lentinan.

LIFE DRINK PRO- AND PREBIOTICS Life Drink probiotics benefit from advanced technology achieving optimal viability and digestive stability. These microflorae have been enhanced with prebiotic ingredients such as larch tree arabinogalactan and stabilized rice bran soluble.

LIFE DRINK DIGESTIVE ENZYMES The digestive enzymes in Life Drink have been shown to be stable and functional within a wide range of digestive pH. This blend has been formulated for the breakdown of not only proteins, starches, and fats, but also potentially problematic oligosaccharides (i.e. raffinose) and disaccharides (i.e. lactose and sucrose). This blend is enhanced with fresh freeze-dried ginger root.

Keep out of reach of children. Store in a dry cool place. Food supplements should not be used as a substitute for a varied diet. Not recommended during pregnancy or breastfeeding unless on the advice of a healthcare practitioner. If taking a prescribed medication, consult a physician before using this product. Please note: The products offered are not intended to diagnose, treat, cure, or prevent any disease. Results are not guaranteed and may vary from individual to individual.
