Hybrid THC: 22.62% ⓘ

Peach Crescendo, a balanced hybrid strain, is immediately relaxing and keeps you happy and uplifted throughout the day. This strain's genetics are Kim D, I-95, Mandarin Cookies and the delicious Peach Rings. Flavor profiles range from tropical sweet to a diesel twang.

The most common form of medical marijuana available to Pennsylvania patients is dry leaf or the dried flower of the plant. Organic Remedies cultivates dozens of strains of cannabis, including sativa, indica, and hybrid varieties. Dry leaf can be consumed by patients by vaporization using a variety of devices.
