Item Description
By [Designs for Health](#)

Grape Seed Supreme™ is derived from grape skin and seed extracts, and contains protective polyphenols and anthocyanins shown to be beneficial for many aspects of health, including support for blood vessels, brain, and skin.* This formula has a unique combination of whole grape extract (similar to a non-alcoholic wine extract), grape skin powder and a special grape seed extract (MegaNatural®-BP); all of which help to provide the vast array of benefits seen in studies on various grape or wine extracts.
