Contains no sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial flavoring, preservatives, or ingredients of animal origin. This product contains natural ingredients; color variations are normal.

Supports cellular metabolism.*

This preparation of magnesium is chelated to the Krebs cycle intermediate malic acid, supplying a highly-absorbable magnesium supplement that is well tolerated.* A component of over 300 enzymatic processes in the body, magnesium provides nutritional support for muscles and bones, as well as for several physiological functions including energy production and healthy cardiac function.*
