Disclaimer: Always consult with your healthcare professional before taking supplements

We recommend working with a local Naturopathic/Holistic doctor. Traditional doctors typically know nothing about colloidal silver & were never trained on colloidal silver in Med School. They have deleted & censored their entire 100+ year history of colloidal silver being a MAJOR medicine for most disease.

This is a collection of publicly available files for educational use only. No medical claims are being made by the author.

DMSO (by itself or Recipes)

DMSO Liquid, DMSO Cream & DMSO Gel are available at Amazon.Com

DMSO by itself offers healing properties by supplying oxygen into the cells and promote blood flow. It is anti-inflammatory and MUCH more.

“Cancer is caused by a specific microbe that gets inside healthy cells and causes them to become malignant.” Silver kills these microbes & DMSO or MSM can be used to get the silver into the cells.
